NESTILOGIC

PRIVATE LABEL

STOCK MANAGEMENT SYSTEM

Nestilogic Private Label streamlines your process for ordering fastening items and related products. You will immediately reduce your indirect costs and shorten your (purchasing) trajectory

Quick Restock

Shortened purchasing

You can choose to either keep track of your stock of stainless-steel fasteners yourself or have Nestinox do it for you. Your inventory will quickly be ordered using both scanner and web portal

Miscellaneous service options

Tailor-made parcel

Your wishes will be inventoried and used to make a tailor-made parcel. Your (purchasing) trajectory will be safeguarded by a single Nestilogic contact.

Simple installation

Quick set-up

Set up in 1 day in only three simple steps

Nestilogic: your logistics as a standard

At your request, we pack individually, assemble, deliver your own personal labels, seal and pack on a project basis in one single delivery and your (bulk) inventory will be at Nestinox during each shipment! All of these aspects can be bundled according to your wishes. Virtually any trajectory is possible! We ensure you won't have to worry about your stainless steel orders.

About Us

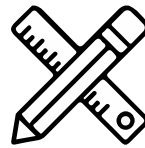

Nestinox is your partner in stainless steel fasteners and is a well-established name in the semi conductor industry. We use TCO (Total Cost of Ownership) principle. Together with our partners we are looking for the most efficient solutions with the best result at the bottom line.

The Nestinox product range now includes over 16,000 stainless steel fasteners, most of these directly from stock. The majority of your orders can therefore be delivered directly from our warehouse in Best.
